BRINGING MORE FUN TO THE SUNSHINE COAST

Caloundra

The good times are set to get even better at BIG4 Caloundra. We've heard your feedback, so we are building a bigger, more exciting pool and entertainment area that will have something new for everyone, whether your persuasion is thrill seeking, relaxing or hanging out with friends and family.

Our new pool will incorporate waterplay and facilities for kids young and old (and older). We are also creating a whole new food & beverage experience so you can sit back and catch up with family & friends while the kids are entertained. Soon you'll be able to experience the best in Holiday Parks right here on the beautiful Sunshine Coast!

FAQs

Q Will I receive a discount if I book a stay during construction?

A We have reduced all of our tariffs during the expected construction period. The inconvenience of noise and no swimming facilities, is not something we take lightly and as such, our new rates reflect this.

Q Are you offering additional activities in lieu of the unavailable facilities?

A We will be creating a new entertainment precinct on the other side of the park. This will include a jump mat, Tom & Andy's Pizza Van, regular live music & movie nights and a fire pit. During the school holidays we will also offer additional entertainment such as petting zoos and face painting, in this zone.

Q Will there still be a jumping pillow?

A The existing jumping pillow will be in the construction zone and as such, will be decommissioned during works. We will however, have a jump mat in the new entertainment precinct.

Q When will these works be taking place?

A Works will commence in June 2022 and run until early December 2022. To ensure the safety of our guests and minimise any unreasonable disruptions, all cabins and sites directly surrounding the construction zone will be taken off-line during this period.

Q How noisy is it likely to be?

A We are expecting significant noise and dust, Monday - Friday from June to August. Once the bulk earthworks are complete, this will reduce considerably. During works, the area will be secured to provide a safe environment for our guests and staff. We are not anticipating any weekend work.
